HOW I SPENT MY SUMMER VACATION

MILLENNIUM VILLAGES PROJECT
RUHIIRA, UGANDA
ABOUT ME

I am a medical student

I’m from New Mexico but I live in New York now
IT IS DANGEROUS BEYOND THIS POINT
NEW INTERN ORIENTATION

GOAL

To minimize the amount of time and resources used by office staff to train and orient interns, increasing efficiency in new intern work implementation, and increase new intern comfort in entering the new office environment.
NEW INTERN ORIENTATION

OBJECTIVES

- Introduce MVP staff and work to intern
- Introduce intern to MVP staff and work
- Introduce intern to general office procedures
- Establish a work plan for the intern and facilitate implementation
- Ensure intern is safe and comfortable in their new environment with logistics introduction including food, transport, accommodation, and other basic needs
- Establish a feedback/summary protocol upon intern departure
EMERGENCY MEDICAL SYSTEM
EMERGENCY MEDICAL SYSTEM

GOAL

- Free and universally available access to emergency medical services for all cluster residents
- Accurate emergency assessment and patient triage (both remotely and in the presence of health team staff)
- Rapid transport to the most appropriate level of care (health center or referral hospital)
EMERGENCY MEDICAL SYSTEM

OBJECTIVES

- Reduce morbidity and mortality due to lack of access to emergency health care
- Reduce under- and overutilization of MVP ambulance and health care systems in general
- Increase communication between and among health centers
- Increase efficiency of health care provision
EMERGENCY MEDICAL SYSTEM

Highlights:

- Call Center and Toll-Free Number
- Increased Communication
- Properly Trained Staff
HOW WILL IT WORK?
COMPUTER SKILLS TRAINING
COMPUTER SKILLS TRAINING

Preparing For The Future

- Electronic Medical Records
- Digital Data
- Electronic Referrals
