

Course Approval Application Form Special Concentration in Sustainable Development

Name: _____ UNI: _____

Major: _____ Expected Grad Date: _____

Please provide detailed, specific responses. Your application should be no more than 2 pages long (including the syllabus). You may email your application to Natalie Unwin-Kuruner at natalie@ei.columbia.edu.

- 1) Is the course a Columbia course?
- 2) If yes, which Department offers the course?
- 3) If no, please list the name and address of the school at which you completed/plan to complete the course. Also please provide a brief explanation of your course of study at that institution (study abroad, course of study undertaken before transferring to Columbia, etc.)
- 4) Please list the course name, course code, professor (and TA, if applicable), year/semester offered, and number of credits.
- 5) Please attach a full syllabus for the course.
- 6) Please describe the sections of the course that address specific sustainable development issues and how those issues fit into the overall content of the course. This may include readings, lectures or assignments.
- 7) For any individual paper(s) or assignment(s), are you able to focus on a specific sustainable development issue? If so, please describe the sustainable development issue you plan to research for the assignment.

NOTE: If you would like to substitute a course for credit that is outside of the program requirements, you should consult with your adviser prior to taking the course.
