Climate Change Focus

- Water Utility Climate Alliance (WUCA)
- Climate Change Adaptation Task Force

Reports to Date

Fall 2008

1. AB 32, California's Global Warming Bill
2. Lieberman-Warner
3. COP-14, Poznan
4. President Obama's Environmental Team

Spring 2009

1. USCAP Proposal
 2. GHG Registries
 3. Waxman-Markey
 4. Funding for Climate Change Research
- 
- A water droplet hitting a surface, creating concentric ripples. The ripples are a vibrant cyan color, contrasting with the dark background. The droplet itself is a small, dark sphere in the center of the ripples.

Thank You

Caroline Ott
